

REGISTRATION TERMS AND PROCEDURES for CLIENTS / END-USERS OF SAAGNY NON-MEMBERS

- All distributor clients / end-users **MUST** be registered using the form on page 2 (reverse side); distributor personnel must register online at www.saagny.org.
- The form must be completed in its entirety, **including credit card information** at the bottom. You may invite and register as many clients as you wish - your card will be charged after the show and only for those clients / end-users that are verified in attendance.
- In the event that the same end user/client is registered by multiple distributors, the client will be registered to the FIRST distributor submitting their name.
- Completed forms may be faxed to 914-365-2541 or emailed to info@saagny.org.
- A separate form is required for each different credit card you wish to use. Credit card information **must be included** - we will not send invoices after the show. *(For example, if you have five sales reps bringing clients and each one is paying separately, each one must complete this form. If your company is paying for all clients for all of the sales reps using one credit card, only one form is required.)*

You will be charged double the rate below for any end-user registered as an employee of your company.
- Employees / affiliates of SAAGNY non-member companies may attend at a charge of \$75 per person, which must be paid when registering online.
