For over two decades, Xenex Payment Systems has been providing state of the art merchant services solutions to a broad cross section of businesses. They are experienced in delivering solutions for retail, POS, eCommerce, or mobile processing. Their corporate office is located in Cedarhurst, New York with sales channel offices throughout North America.

Xenex's goal is to build a positive experience with each interaction with our customers. Their highly trained technical support professionals are available 24/7 to assist merchants whenever they need assistance.
