

Supplier of the Year

As of December 10, 2018

Members were asked to vote for the Supplier of the Year Award (Sales less than \$40 million and more than \$40 million) based on the following criteria:

- Provides innovative products and services
- Provides superior customer service and reliability
- Works diligently to resolve problems should they arise
- Is progressive in helping to elevate the industry and its members
- Clearly communicates through their catalog, website, and other media resources
- Is an honorable partner with whom to conduct business
